Rockstar is a film starring Mohanlal and Amitabh Bachchan in the lead. It was written and directed by Balu Mahendra and produced by Iqbal Ali. The score and soundtrack were composed by Ilaiyaraaja. The film was released on 31 July 2013, to positive reviews from critics.[3] Mohanlal's performance as an aspiring rockstar is remarkably good, making it one of his best performances in recent years after a spate of mediocre movies during the 2000s, while Amitabh Bachchan essays a powerful cameo role as an ageing superstar nearing death. Shankar Ramakrishnan's cinematography is simple yet effective. Balu Mahendra's approach to the story is untypical of conventional South Indian commercial cinema. Sathya (Mohanlal) is an orphan working as a radio jockey at Aromal FM. He is extremely attached to his boss Vaiyapuri (Mukesh). Sathya has grand plans of becoming a famous rockstar someday and harbors no love for Tamil films or their stars. He often belittles super star Chandran aka Appukuttan (Amitabh Bachchan). Chandran is the owner of Aroma FM. He loves his station more than anything else. Things get out of hand when Sathya absconds to Pondicherry along with Chandran's daughter, Karthika (Amala Paul). Sathya is not used to having a life of luxury and hence does not enjoy it much. He tries to escape by taking Karthika with him on a motorcycle but gets chased by the cops. The two are finally rescued by Karthika's maternal uncle Rajaraja Varma (Prakash Raj) and taken to his palatial bungalow in Waynad, Kerala. Varma is a well known and respected personality in Kerala. He has a passion for farming. He treats both Sathya and Karthika as his own children, but is suspicious of Sathya's intentions towards Karthika. The two fall in love and one day, Varma discovers it. Varma's suspicions arise again and he asks Sathya to leave the house and also tell him his real name. Sathya reveals that he is an orphan and does not know who his parents are or where he was born. Karthika decides to elope with Sathya as Varma does not want them to be together as long as he is alive. In all the commotion, Varma suffers a heart attack and is admitted to a hospital. Sathya decides that he cannot leave his dying father figure and stays back at the hospital. He witnesses Chandran being admitted to the same hospital, suffering from liver failure and near death. Varma's health worsens and Sathya decides to donate his heart to Varma. The operation is a success and Varma recovers after coming out of coma. Chandran, though reconciling with his daughter, suffers liver failure again during an award event for Karthika. He is immediately taken into the hospital where he bids goodbye to everyone including Sathya who goes into hiding after seeing him.
